Re: MUR 5496

Dear Ms. Pena-Wallace:

This is to follow up on our telephone conversation a few days ago regarding the above-referenced MUR. I have now received and forwarded to your office the Statements of Designation of Counsel which reflect that this Firm represents Lawrence David Huffman, Huffman for Congress and Dean Proctor in the MUR. Each of the clients has agreed to enter into pre-probable cause conciliation in hopes of bringing this matter to as swift a conclusion as possible. To that end, there are some additional facts which I would like to add to the record prior to entering into the conciliation negotiations.

There are some revisions I would like to suggest to some of the facts set forth in the Reason to Believe Finding and I am preparing those suggested revisions at this time. Also, there are some witnesses whose identities have just been brought to my attention from whom I am seeking to obtain sworn affidavits. In order to insure that all the facts are clearly and correctly stated in the RTB finding for purposes of moving forward with our negotiations, I hereby request an extension of time for preparing and submitting these additional documents to you.

If you can grant an extension until June 27, 2005 to forward to you these additional documents and statements, that should be sufficient time to obtain and forward everything necessary for a complete and accurate record in the MUR.

Thank you again for your cooperation and assistance.

Sincerely,

Cleta Mitchell, Esq.  
Counsel to Respondents in MUR 5496
